DIARY NOTES

ADD/A

9 March 1953

- 25X1A9a 1. [REDACTED] Deputy, telephoned to say that he expected to see Senator Case within the next few days and wanted to know if I had any objection to his talking to Senator Case as a constituent, not as a representative of CIA, about the attitude of the Interior Department concerning parking in the vicinity of I, J, K, and L Buildings. I told him that I thought this would be all right but that I would like to discuss with him prior to the visit exactly what he proposed to say to Senator Case; he agreed to do this.
- 25X1A6a 2. Spent a considerable amount of time with Colonel Baird, Mr. Pforzheimer, and Mr. Dulles discussing [REDACTED] specifically whether we should proceed with our lease of a portion [REDACTED]. It was finally agreed that we should not. (See my Memorandum for the Record for details on this subject.)
3. Furnished Mr. Dulles with a biographic sketch on [REDACTED] who is a classmate of mine. 25X1A9a
- [REDACTED] 25X9A2
- 25X1A9a 5. Instructed [REDACTED] to put a "Central Intelligence Agency" sign on "E" Street.
6. Bob Macy, Bureau of the Budget, telephoned to say that he and Mr. Perry found themselves very short of help and Mr. Perry thought that the Bureau could give us better service if we would permit them to have a third man cleared for our work. Mr. Lyman Hamilton was suggested as a very competent young man and has had a full field investigation. I discussed this with Mr. Wolf who agreed that we should go ahead, subject, of course, to proper clearance. 25X1C4c

9. I gave General Morris a letter which General Walsh, Strategic Air Command, wrote to General Cabell concerning the assignment of an Air Force major to CIA and requested him to handle this with [REDACTED] personally, insuring that this major is used on Soviet Air Order of Battle work or returned to the Air Force. However, I requested that no specific action be taken without making a further report to me.
